

STARS!

DANCE MOVEMENT THERAPY GROUP

\$50 assessments for Term 3 intake

Spaces are available in our dance movement therapy groups for young people (5 - 21 years old) on the Autism Spectrum or with related disabilities.

Locations in: Northcote, Mt Albert, Onehunga, and Pakuranga.

A programme for children through to young adults on the Autism Spectrum, with Cerebral Palsy, Global Developmental Delays, brain trauma, learning or behavioural challenges. STARS focuses on developing social skills, confidence, and emotional literacy in a supportive, physical and fun activity based group. Sessions include dance, movement, music, play and body awareness activities. In many cases, costs can be fully covered or partially subsidised through Work & Income, Taikura Trust, the Cerebral Palsy Society and more.

Programme size is limited, enabling individualised therapeutic interventions for each child in a group context. STARS groups are facilitated by experienced therapists.

Ka Ora, Ka Ako

The Ka Ora, Ka Ako healthy school lunches programme will gradually be introduced across the school in term 3.

We are currently looking at providers to find a company who will cater to our students special dietary needs to ensure we provide healthy food that they will want to eat.

Futher updates to come...

TERM 2 | July 2021

NEWSLETTER

Hand made Puppets

Rosehill Intermediate 19 satellite designed and created puppets to explore a fun and interactive way of presenting their narrative stories. The process begins with deciding what their character will be and writing a plan. Using a pattern they traced, cut, glued, and sewed the faces. After completing the face and head, they designed and created the body. Students were very engaged learning new skills such as using a needle and thread. The students worked hard on their narrative stories and were so proud presenting these on their puppet tour around our base school office and classes to show their fellow peers.

"The best puppet show we ever did see!"

From the Principal - tena kotou katoa

A reminder that we are closed for teacher only day on Friday 13 August. We recognise this can be inconvenient for families, however we are required to do this under the teachers collective agreement.

Art piece designed by Te Ara Poutama students

Thank you to all our whanau who completed the School Leavers Profile survey.

This is what you told us: ➡

Our next step is to find out a bit more detail for example, in what circumstances do you want your young person to be able to keep safe.

We will send out another survey and look for an opportunity to get groups of whanau together.

Gill Hedley, Principal - Tumuaiki

Survey Results

What you think is important in order....

- 1st Able to keep themselves safe
- 2nd Able to communicate effectively
- 3rd Independent
- 4th Able to keep healthy and active
- 5th Able to regulate themselves and their emotions
- 6th Confident in the community
- 7th Make good choices & decisions
- 8th Resilient & able to cope with change
- 9th Socially capable
- 10th Curious and interested in the world around them

Sharing our learning...

James Cook Weka satellite students visited the Auckland Museum on Friday 21st May.

In Visual Arts this term, they are learning to use a variety of techniques, materials and medium to create prints. Our students are learning about Tapa and Tivaivai as a traditional artform in Pacific Cultures. There was lots of learning and cultural information sharing during our visit to the Museum.

As you can see pictured, students were hands on making their own prints too.

"Rimu Syndicate"

Kowhai Syndicate - Manurewa East satellite

Manurewa East D2 recently visited the Stardome. This was a first time experience for the majority of our students. The focus was 'The cluster of the stars of Matariki'.

A highlight was seeing the night sky with stars show in the planetarium 360 degree theatre, as well as the animated legend of Matariki - The great waka. Students also enjoyed pretending to be Astronauts and looking at different spaceships in the space gallery.

Kowhai Syndicate Samoan Language week

Kereru Park 5 celebrated Samoan language week by creating tapa.

This was achieved by scrunching up paper, staining it with tea and paint and gluing down unique designs.

Redhill satellite

Redhill 3 have produced this beautiful art after learning about light and shadow.

This is now leading into learning how we make rainbows with light.

Introducing...

My name is Pam Osman and I joined Rosehill School 28 years ago part time in the office. I am now fulltime as the Executive Officer keeping busy with finances, accounts & payroll just to name a few.

My daughter Shannon attended Rosehill School from 1990. Outside work I enjoy family with with my 2 grandchildren and sports as I was a keen runner and cyclist. Up until 2020, I was involved in Special Olympics helping with coaching. I love supporting and watching athletes achieve their goals and grow in confidence.

Special Olympics Basketball Tournament

On Sunday 13th June, we had 2 basketball teams play in the Howick/Pakuranga Special Olympics tournament. Our Papakura Club team won their section receiving red ribbons. Janise coached this team which included Bailey, Hayden, Lene along with many of our previous students.

Our second team represented Rosehill School with students from our college classes and Te Ara Poutama. They came 2nd in their section & received blue ribbons. Our Speech Language Therapist Saoirse coached this team.

Coming up is a 2 day tournament and we have entered both teams. Once attended, students will qualify to be entered into the Special Olympics National Games in Hamilton in December. If you would like info for your child to join, please email sopapakura@gmail.com

Te Ara Poutama - Takanini

A group of 8 students from Te Ara Poutama Takanini have been working on art projects.

They have finished the term 1 project which had a self-portrait as success criteria.

They were exposed to many possibilities of creating their artwork. Teachers provided information, asked questions and supported students to choose and plan their project.

They studied two different artists (Van Gogh and Romero Brito) and many other possibilities of self-portrait including Maori art and mokos.

They worked independently on their projects and the results are exposed in the Hauora room at Te Ara Poutama Takanini.

Dates to mark in the calendar!

09 JULY Term 2 ends	26 JULY Term 3 Begins	09 SEPTEMBER Te Ara Poutama Transition Evening	13 AUGUST Staff only day School closed	24 AUGUST PLP Evening
