Creating Inspiring Pathways for Real Life Success

He waihanga ara whakahihiri, kia angitu ai

23 August 2021

A big thank you for taking the lockdown seriously and doing what we have been asked. We've seen before that staying at home will break the chain of transmission and save lives.

It is even more important that we all follow the health advice because the Delta variant is very contagious.

Breaking the rules risks the health of those close to you, the wider community and could result in the lock down period being extended.

Please remember that the school playground and school grounds remain closed at Alert Level 4.

As always, please let us know if there is anything you need to support you and your tamariki during this time.
