We have lots of events coming up this term. Whānau and parents are invited to our prizegiving and leavers events. On **Monday 12 Dec** we have a Monday Funday at base. More information will be out soon.

On top of this we are having a school camp for our senior students. 100 students are off to Camp Adair for day activities and for some overnight stays.

This is a very big piece of organisation as we want everyone to have lots of challenges and new experiences, and to step out of their comfort zone!

At Rosehill School we are placing a big focus on active learning, learning in real situations, and we see this as a fantastic opportunity for applying our learning in a new setting. We know everyone will have a lot of fun and thank you to the staff who are going and our organisation team **Paul, Ranjit and Naomi.**

Celebrating Diwali at school staff and students together

Auckland Philharmonia Orchestra

The entire JC Unit had the opportunity to experience live music by the Auckland Philharmonia Orchestra at the Kiri Te Kanawa Theatre (Aotea Centre) in the city.

This is part of a programme called Kiwi Kapers that gives schools the opportunity to learn about musicians, different musical styles, and build an appreciation for live music.

We were delighted by a grand piano solo, a pasifika retelling of the creation of the world, music from the Pirates of the Caribbean movie, an opera song, and so much more.

Garden to Table with Tuhono 8!

Tuhono 8 have had lots of fun growing yummy vegetables & herbs in the student garden - and then creating delicious dishes from our harvested produce during our weekly cooking classes in the Student Kitchen.

One example is the radishes that we grew from seeds to seedlings in our class and then planted into the little garden in the greenhouse. It was a great learning experience to see the stages from seed to seedling, then water them regularly and see them growing so quickly! Once they were ready to harvest, we found a delicious recipe for Korean Pickled Radishes.

After we had made our tasty, pickled radish - we decided to make our version of a Caesar Salad using the radish as an alternative to anchovies - and making great use of the variety of different types of lettuces, as well as chives and spring onions growing in the garden. We learnt how to make croutons from the bread we receive at school, and we boiled eggs that Colleen gets for the Student Kitchen. It was so much fun to make.

See chef Julie proudly showing off our tasty salad!

Te Roopu Whakataetae

Rosehill School's Kapa Haka Group 'Te Roopu Whakataetae' performed at Central Auckland Specialist School. It was the first time the group have performed in front of another school even though they were very nervous and excited they performed extremely well, we are all so proud of them all. They got an amazing response and, in their words, 'were blown away'.

Sensory Football

Some classes joined together to celebrate our last day of Sensory Football (you may have heard us).

Sensory Soccer; embracing the art of whanaugatanga. Sharing an experience and working together, bringing us all a sense of belonging.
