1. Introduction

- The school board of Rosehill School is focused on the ongoing improvement of student progress and achievement within an environment that provides inclusive education.
- *Refer to the New Zealand Curriculum, the New Zealand Disability Strategy, and the United Nations Convention on the Rights of Disabled People.*
- To ensure effective school performance, the school board is committed to maintaining a strong and effective governance framework that incorporates legislative requirements and good practice.

Governance and Management

The following are the board’s agreed governance and management definitions which form the basis upon which both the working relationships and the board’s policies are developed.

Governance	Management
The ongoing improvement of student progress and achievement is the board’s focus. The board acts in a stewardship role and is entrusted to work on behalf of all stakeholders. It is accountable for the school’s performance, emphasises strategic leadership, sets the vision for the school and ensures compliance with legal and policy requirements. Board policies are at a governance level and outline clear delegations to the principal. The board and principal form the leadership, with the role of each documented and understood. The principal reports to the board as a whole with committees used sparingly and only when a need is identified in order to contribute to board work.	The board delegates all authority and accountability for the day-to-day operational organisation of the school to the principal who must ensure compliance with both the board’s policy framework and the law of New Zealand. [For detail see Operational Policies]

The board is proactive rather than reactive in its operations and decision making and does not involve itself in the administrative details of the day to day running of the school.	
--	--

In developing the above definitions for Rosehill School, the board is mindful of the relevant sections of the Education Act 1989 as set out below.

Education Act 1989

The Education Act 1989 was amended on 19 May 2017, clarifying the governance role of the board of trustees and a focus on student achievement. 10. I come prepared	I come to board meetings prepared to fully participate in decision-making.
11. I use my position responsibly	I maintain confidentiality when I receive non-public information gained in the course of my duties and use it only for its intended purpose. I publicly represent the school in a positive manner and do not publicly disclose information that may be harmful to the school. I do not pursue my own interests at the expense of the school or community's interests.

Scoping

This policy applies exclusively to the principal. The principal's PGC: • Is tailored to the context and priorities of Rosehill School. • Supports leadership development and continuous improvement. • Aligns with national professional standards and school-wide goals.

Delegations

Under this policy:

- The principal is responsible for designing and implementing their own annual PGC
- The PGC includes identifying and developing appropriate indicators.
- The principal develops their PGC and shares this with the Presiding Member to plan any support that is needed.
- The principal engages in a network of learning and practice development within a network of colleagues, using the standards
- The principal seeks feedback on their practice from a range of sources, including the presiding member or their delegate
- A professional learning network colleague confirms that the principal has participated in their PGC and endorses whether the principal meets the standards.
- If in the endorser's judgment, the principal does not meet or is not likely to meet the Standards, they discuss this with the principal.

C.1 Meeting protocols

The School Board of Rosehill School is committed to effective and efficient meetings and, to this end, sets out the following guidelines for the conduct of board meetings.

Timing of meetings

- Dates and times of meetings will be set in the board workplan and usually held on the *third and eighth week of each term, starting at 5:45pm and finishing no later than 8:30pm.*
- A resolution for an extension of time may be moved but will not normally exceed 30 minutes.
- Any business remaining on the agenda at the conclusion of the meeting is transferred to the following meeting

Agenda and meeting papers

- The presiding member is responsible, in liaison with the principal, for the preparation of an agenda prior to each meeting
- The principal is to ensure that secretarial services are provided to the board
- Agenda items are to be notified to the presiding member three days prior to the meeting
- The agenda and board papers will be circulated to board members at least three days prior to the meeting
- The board should have access to all correspondence. Correspondence that requires the board to take some action should be photocopied/scanned and distributed prior to the meeting. Other correspondence can be listed and tabled so that board members can read it if required
- The agenda for the part of each meeting that is open to the public will be posted on the board's section of the school website at least 48 hours prior to the meeting and copies made available at the meeting place for any members of the public
- The agenda is to be collated with the items placed in order and marked with an agenda item number
- Agenda items will reference relevant strategic goals and board policies

- Late agenda items will only be accepted with the approval of the board and in rare circumstances where a decision is urgent
- All items in the agenda are to carry a recommended course of action and where appropriate be supplemented by supporting material in the meeting documentation.
- Papers requiring reading and consideration will not normally be accepted if tabled at the meeting.
- The order of the agenda may be varied by resolution at the meeting

Public participation

- The board meeting is a meeting open to the public rather than a public meeting
- Only members of the board have automatic speaking rights
- Public participation is at the discretion of the board
- Public attending the meeting, including staff members not elected as the staff representative, are given a notice about their rights regarding attendance at the meeting – see C1.1 Public attending board meetings

Conduct of meetings

- A quorum of more than half the members currently holding office is required for the board to be able to conduct any business*
- Meetings can be held via audio, audio and visual or electronic communication providing:
 - all board members who wish to participate in the meeting have access to the technology needed to participate, and
 - a quorum of members can simultaneously communicate with each other throughout the meeting*
- Board members will declare any conflict of interest at the beginning of the meeting
- Any board members with a conflict of interest or pecuniary interest in any issue shall not take part in any debate, deliberation or decision making on such issues. They must be excluded from the meeting for the duration of the debate, deliberation or decision making.* A pecuniary interest arises when a board member may be financially advantaged or disadvantaged as a result of decisions made by the board (contracts, pay and conditions). A conflict of interest is when an individual board member could have or could be thought to have a personal stake in matters to be considered by the board
- The presiding member shall be appointed by election at the first meeting of the year except in the triennial election year where it will be at the first meeting of the newly elected board*
- The elected presiding member (or, in their absence, a non-school-based board member) presides at meetings
- Only apologies received from those who cannot be present must be recorded. Members of the board who miss three consecutive meetings without the prior leave of the board cease to be members.* An apology does not meet the requirement of prior leave. To obtain prior leave, a board member must request leave from the board at a board meeting, and the board must make a decision whether or not to grant it
- Points of order are questions directed to the presiding member that require an answer or a ruling. They are not open to debate and usually relate to the rules for the running of a meeting
- The board's normal meeting procedures may be suspended by resolution of the meeting

Decision-making process

- All board decisions are made in light of board policy and the board's primary objectives of ensuring that; every student at the school is able to attain their highest possible standard in educational achievement; the school is an inclusive and safe place for all students and staff; the school gives effect to relevant students' rights and gives effect to Te Tiriti o Waitangi
- All decisions are to be taken by open voting by all board members present
- In the event of tied voting on a resolution, the presiding member may exercise a casting vote in addition to their deliberative vote*
- A motion is a formal proposal for consideration. All motions and amendments moved in debate must be seconded unless moved by the presiding member and are then open for discussion
- Motions and amendments once proposed and accepted may not be withdrawn without the consent of the meeting
- No further amendments may be accepted until the first one is disposed of
- The mover of a motion has right of reply
- A matter already discussed may not be reintroduced at the same meeting in any guise or by way of an amendment
- When a matter cannot be resolved or when further information is necessary before a decision can be made, the matter can be left unresolved for future discussion

Minutes

- Board meeting minutes will be taken by a contracted, paid minute secretary who is not a member of the board
- The minutes are to clearly show resolutions and action points and who is to complete the action
- Minutes are sent to the presiding member for checking within 3 working days and distributed electronically to the board within seven working days. Requests for corrections or amendments should be submitted by email to the presiding member as soon as possible to ensure accurate minutes can be confirmed at the next meeting
- Minutes to be tabled for approval should be included in documentation made available to all board members prior to the meeting
- Once minutes are approved as true and correct, recordings of that meeting are to be deleted

Calling special meetings

- If the Board has adopted procedures regarding special (extraordinary) meetings, then those would apply
- In the absence of board procedures, a special meeting may be called by the presiding member. Otherwise, one third of board members currently holding office agreeing to call a special meeting would be good practice

* Legislative requirement

D.19 Classroom Release Time

- The Primary Teachers' Collective Agreement provides for classroom release time ("CRT") for most classroom teachers. In accordance with clause 3.28.3, Rosehill School is required to have a policy that deals with the allocation of CRT.
- CRT is professionally useful for the school's teaching and learning programmes, the professional growth of its teachers and the learning needs of its students. Ensuring the provision of CRT is also a tangible way the board can help teachers manage their workload.

Delegations

The day-to-day management of classroom release time is delegated to the principal.

Expectations

- Except for situations where genuine reasons arise at short notice, eligible teachers will receive their entitlement to CRT as set out in clauses 3.28.1 and 3.28.5 of the Primary Teachers' Collective Agreement and in accordance with this policy.
- The principal will manage, in good faith, situations where it is not possible for genuine, unavoidable reasons arising at short notice for a teacher to take their entitlement in accordance with this policy.

Monitoring

- The principal reports to the board annually on the implementation of this policy, including identifying any areas of risk to the board (as employer), and as required.
- The principal will keep a log of instances where eligible teachers are unable to receive their entitlement.
- The principal will report to the board if they become aware of an ongoing inability for the school to meet this policy.

Timetabling allocation of CRT

- At the start of each term the Deputy Principal (Personnel) will ensure CRT release is allocated to entitled teachers.
- At the start of each term, each syndicate leader will determine each term the basis for allocating the CRT to entitled teachers within their syndicate. This timetable will then be approved by the Principal in consultation with Leadership.
- The allocation of CRT for those with management units will be determined by the Deputy Principal (Personnel) in consultation with the unit holder, and where applicable, their syndicate leader.

Use of CRT by eligible teachers

- Eligible teachers are to utilise CRT for the following:
- Planning, preparation, meetings, coaching, professional development, observations, appraisals, meeting therapists, assessment and other tasks that support teaching and learning. Staff will be consulted bi-annually on the use of CRT time.
- On occasion, the principal and an individual teacher may agree to use of CRT for another purpose not listed above.

Managing situations where timetable allocated CRT is unable to be used

- Where because of genuine reasons arising at short notice prevent an eligible teacher from using their allocation of CRT, the principal will make every endeavour to reallocate the CRT to the employee at a later time during the term they are unable to use it.
- If, because it would compromise educational requirements, the CRT cannot be reallocated, the CRT time will be reallocated to the following term if this is not an option reported to the Board with a reason for non-delivery.
